

READY TO EAT . ANYTIME . CONVENIENT

PAK LEH

What is PAK LEH RTE?

Pak Leh Ready-to-Eat ("Pak Leh RTE") food use traditional recipes which are delicious and use retort technology to ensure the food freshness is preserved, lasts longer without any use of preservatives.

What makes the products different is, it comes with a food warmer, that allows the food to be cooked on-the-go, without the need of microwave / fire / hot water.
